

7 facts about **Cashback Radar** ready to use as post hooks

Copy the hook line directly into captions, scripts, or articles. Stats are current as of June 2026.

30+

UAE cashback cards compared

Across 17 banks — credit cards and debit products with direct cashback or statement-credit rewards.

💡 *"Cashback Radar compares 30+ UAE cards with direct cashback — not just the ones that paid to be there."*

AED 2,100

Average annual gain found

The average projected net value difference users discover when comparing cards on the platform.

💡 *"The average person finds AED 2,100 in extra annual value. In 3 minutes. For free."*

3 min

Minimum time to results

Answer a short questionnaire and get a ranked list of cards. Answering more improves accuracy — but the choice is yours.

💡 *"You spend more time choosing lunch. Comparing UAE cashback cards takes 3 minutes on Cashback Radar."*

17

Banks in the comparison

Including ADCB, CBD, Citi, DIB, Emirates Islamic, Emirates NBD, FAB, HSBC, Liv, Mashreq, RAKBANK, Standard Chartered, UAB, WIO and more.

💡 *"17 UAE banks. One comparison. Ranked by what matters — projected value to you."*

0

Sponsored placements

No bank pays to appear higher in results. Rankings are determined purely by projected net cashback value for the user's specific spending profile.

💡 *"Zero paid rankings. Zero bank partnerships. Just the maths."*

20+ yrs

Combined banking experience

Built by professionals with backgrounds at global financial institutions — in credit cards, payments, loyalty programmes, and data analytics.

💡 *"Built by people who spent 20+ years inside the banking system — and know exactly where the fine print hides."*

Free · No sign-up · No user identity requested

No account. No email. No Emirates ID. No phone number. Enter your spending habits, get a personalised card ranking — then close the tab. Nothing about you is stored or linked to a person.

💡 *"You don't give us your name, your email, or your Emirates ID. Just your spending habits. You get a ranked list of cards. We get nothing else."*
